

Dear colleagues and friends,

On behalf of the members of the faculty it is my honor and pleasure to announce the Breast and Female MRI EMRI course, that will be held from May 31- June 3, 2012 in Zagreb, Croatia. You are most welcome to join the meeting that will be held in capital of Croatia, that also offers possibilities for enjoyable visit and sightseeing.

The two main topics of the course are breast and female pelvic imaging. The topics will be presented by internationally well-known and experienced experts from the USA, UK, Switzerland, Austria, Serbia and Croatia. The course will consist of lectures and workshops.

In addition to the comprehensive and stimulating programme we will prepare the social programme for attendees of the meeting and accompanying persons.

I cordially invite you to attend Erasmus EMRI course in Zagreb, from May 31- June 3, 2012.

Boris Brkljačić, MD, PhD
Director of the Course
